REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Lee:

History has been made rapidly since a year ago at this time. Under the National Recovery Administration, led by President Franklin D. Roosevelt, the feeble knees of education have been strengthened as a necessary aid in restoring the economic health of the nation. Under the Public Works Administration, federal funds are available for new buildings, in the form of loans and grants. Under the Civil Works Administration, projects for the repair and improvement of school facilities are under way, unemployed teachers have been rendering service in clerical positions, and provision has been made for the education of adults and pre-school children. In some states, many schools have been able to keep open only with the aid of the federal government. Under the Industrial Recovery Act, child labor in the industries has been practically abolished, creating an immediate need for greater school facilities. Recently funds have been made available to give students work to enable them to remain in college. Further federal aid is being pressed for on behalf of education with a view to extending to the whole nation the principle of equalization of educational opportunity which obtains in progressive states.

Lee has shared in the benefits of the nation's concern for its children by a distribution of milk in the schools more extensive than that of last year, and by the distribution of "bottled sunlight" (cold-liver oil) to counteract the lowering of health reserves that results from winter conditions. In these activities, as well as in her regular duties of health examina-

tions and follow-up work, the school nurse, Miss Margaret McDonald, has rendered efficient service. Playground equipment would be a still further encouragement to the healthy development of the pupils.

After serving the district for several years, Mrs. Ruth K. Munroe withdrew from teaching for the time being. Miss Gibb, now teaching at North Lee, is a normal graduate and has had the benefit of training both at Keene and at Plymouth. The present enrollment is as follows:

North	Miss Dorothy Gibb	26
Center	Mrs. Mina F. Sanders	15
South	Miss Pauline M. Wiggin	16
	Total	57

Pupils having perfect attendance for last year and so entitled to have their names on the *Honor Roll* are Allyn Jennison, Charles Jennison, George Jennison, Dana Johnson, Goldie L. Harvey, and Gertrude Lang.

Respectfully submitted,

CHESTER W. DOE,
Superintendent of Schools
